

## SafeSport Quick Reference Guide

- USA Volleyball is proud to introduce Minor Athlete Abuse Prevention Policies [Download MAAPP](#). These policies outline training requirements and limit one-on-one interactions with minor athletes. The policies went into effect June 23, 2019. Legal Guardian Consent (LG) form, fillable. [Legal Guardian Consent Form](#)

\*Completed LG Consent forms will be saved under a region file and forwarded to the region to disseminate to the appropriate club

- **U.S. Center for SafeSport "Core" Training:** This is required training for adults who have regular contact with amateur athletes who are minors, and/or have regular contact with or authority over an amateur athlete who is a minor. **The training must be completed before regular contact with an amateur athlete who is a minor begins;** or within the first 45 days of initial membership, or upon beginning a new role subjecting the adult to the MAAPP. The "Core" training is required also prior to eligibility to take the Refresher 1. This training is available to USAV members for free.
- **30-Minute Refresher:** This is conducted annually following "Core" Center for SafeSport Training. This training is 30 minutes and is a review of the information shared in the Core Center for SafeSport Training. This training is available to USAV members for free.
- **Athletes turning 18** during the season, whose teammates are minors, will be required to take "Core" Center for SafeSport training upon turning 18. To prevent any disruption in play, the center will allow athletes who are 17, turning 18 during the season to take "Core" given parental consent. Once a player turns 18, he or she will not be permitted to continue play until "Core" SafeSport training has been completed. [Complete the parental consent form](#) before registering for training if you have a minor athlete who needs to take the training. Once the form is completed, your child will be enrolled in SafeSport training. A notification of registration will be sent to the email address on file to access the course.

\*Completed Parental Consent forms will be saved under a region file

- **Youth Training Courses:** The U.S. Center for SafeSport has launched youth courses. This training is not mandatory and will be offered through the Center's website <http://athletesafety.org>. It requires parental consent. The parent/legal guardian creates the account to provide consent for the child and to decide which course is best for their child. Courses are for preschool age; grades K-2; grades 3-5; middle school and high school. These free courses are for minor athletes and their parents to understand the importance of positive, welcoming environments in sports, where misconduct like bullying or abuse is less likely to happen, and to know where to report abuse, should it happen.

## How to Register for Training

Parental consent is required for minor athletes (any child under 18) to register for SafeSport training. [Complete the parental consent form](#) before registering.

Go to <https://webpoint.usavolleyball.org/>

1. Log in to your USAV account
2. In the navigation menu, click on USAV Clinics and select USAV Coaching Clinics
3. Select "2019-2020 Core Center for SafeSport Training"
4. Complete registration
5. To access coursework, click on the "Log into USAV Academy" button

If you have already completed the Core training and it is due to expire on 10/31/2019 you will need to register for the Refresher 1 course.

Go to <https://webpoint.usavolleyball.org/>

1. Log in to your USAV account
2. In the navigation menu, click USAV Clinics and select USAV Coaching Clinics
3. Select "2019-2020 Center for SafeSport Refresher 1 Training"
4. Complete registration
5. To access coursework, click on the "Log into USAV Academy" button

Should you need to return to your coursework later, log in to your USAV account and click on the "Log into USAV Academy" button.

For technical issues, while completing the course, please visit: <http://help.usavolleyballacademy.org/>.

Here is a screen shot of what the courses look like in the USAV coaching clinics
