A Region bid is the opportunity to represent Sun Country in the National, American or Freedom Divisions of the USAV GJNCs. In order to be eligible for the GJNC, a team must meet all posted entry deadlines and requirements.

**Any team, competing in the SURVA National Bid Tournament & awarded a Region bid to the USAV Girls National Championships, must accept and fulfill the requirements of the earned bid. PENALTY: If a team that earns a Region bid at the SURVA Region Bid Tournament does not participate in the GJNC in the division in which it earned the bid, ALL members listed on the SURVA Event Roster, the Club Director & club will be suspended from participating in all NQs, Regional Qualification Events, and the GJNC for the following season. The Club and club leadership will be fined the amount equal to the GJNC entry fee. In addition, the club, team members and parent/guardians are subject to further penalties within the Region. Exception: team earns a higher bid at another qualifying event.**

Post Bid Tournament allocation bids will be offered in the order of finish and acceptance is not required.

### THE "FROZEN PLAYER" RULE

Once a female junior player has participated in a bid division for a club in a GJNCs qualifying Event (Regional or NQ), she may not participate in another GJNCs qualifying or Championship Event with a different club.

Obtaining a Region bid defines the team as "qualified" for the GJNC. Once a team "qualifies" for the USAV GJNC, the players on the qualified Team's Official Roster are frozen to that Team. The players on the Team's Official Roster are subject to the following restrictions:

- A Frozen Player cannot be on the roster of, or play for, another team in a Regional Qualifier or NQ Event, the roster of a team applying for an Open At-Large Bid, or another team playing at the GJNCs.
- A club may add player(s) to the Official Roster of one of its Teams qualified for the GJNCs, provided the additional player(s) are members of the club and are not deemed "Frozen".
- No player may switch from one "qualified" team to another qualified Team, even within the same club. EXCEPTION: A player under the age of 17 can switch between a Team that has qualified for the 18s GJNC and another **already** "qualified" Team that has qualified for the GJNC as long as both teams are within the same club. The player cannot help another qualify.

There are no restriction on additions to the roster (up until the limit of 15 players) of new players or players from non-qualified teams within the club. Check with USAV for deadline to add participants.

For club use only. Form to be used by club to ensure participant commitment.
